

Appendix 10 – Detailed Transportation and Growth Maps

The DCHC MPO and CAMPO have made transportation project, transportation system performance and socioeconomic growth maps available in several different formats for the user. These maps are available on the MPOs' Web sites:

DCHC MPO Web site -- www.dchempo.org

CAMPO Web site -- www.campo-nc.us

The mapped data for the 2040 MTP includes:

Projects

- Highway projects
- Transit services
- On-road bicycle facilities
- Off-road bicycle facilities

Performance

- 2010 Highway congestion
- No build scenario highway congestion
- 2040 highway congestion
- 2040 traffic volume

Socioeconomic Data (population and employment)

- 2010 SE Data
- 2010 to 2040 SE Data growth
- 2040 SE Data

Most of these maps come in a variety of formats such as:

- Standard 8 1/2" by 11" PDFs for easy printing and use
- Poster-sized PDFs (34" by 44") that allow the user to zoom in to more clearly see details
- Online maps that allow the user to zoom in and out, change layers and views, etc., similar to Google and Bing maps.
