Subject: DCHC MPO, FY 2012 PL Work Program Approval

Dear Felix:

Your PL Work Program for FY 2012 in the amount of \$ 570,139 (\$456,111 Federal) has been submitted to FHWA for approval. Also, your current unprogrammed balance is \$ 5,988 and reflects the closeout of your FY 2010 work program.

Your work plan also includes the use of \$1,986,081 (\$1,588,865 Federal) in STP-DA funds for planning.

Please note that if the MPO chooses to hire a Professional Engineering Firm (PEF), NCDOT's consultant selection procedures must be followed and the use must be approved by TPB's MPO coordinator. Also, any invoices that include payments to PEF's (or any other types of subconsultants) must reflect the amount paid on a separate form that may be obtained from your coordinator. In addition, the PEF or subconsultant must be with established NCDOT as a vendor in order for the invoice to be processed.

If you have any questions, please do not hesitate to call or email me: (919) 707-0901, mbruff@ncdot.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Bruff".
