Requesting Local Agreements for CMAQ Projects

The Local Programs Management Office (LPMO) has a web-based system for requesting agreements for locally-administered projects. As a Local Government Agency (LGA) with an upcoming CMAQ project to administer with NCDOT, you will be responsible for requesting an agreement through the Enterprise Business Portal (EBS). In order to access the EBS, you will need a **user id** and **password**, issued by NCDOT.

Please visit the LPMO website at <https://connect.ncdot.gov/municipalities/Funding/Pages/default.aspx> and download the LPMO Security Form, complete, sign and email to the contact address in the form. Once you have a user id and password assigned, you may log into the EBS at <https://www.ebs.nc.gov/irj/portal>, from there, submit a request for a new agreement.

If you have any questions, please contact the LPMO office at LPMO@ncdot.gov. You can also access Help Guidance for the EBS at [EBS Helpful Hints](#).

Please note the following:

- At this time the EBS can only be used to manage new projects that do not currently have an executed municipal agreement. If you have been approved for additional funding on an existing CMAQ project that is managed outside the EBS portal, please coordinate with Phyllis Jones to request a local agreement.
- CMAQ transit projects that are being flexed to Federal Transit Administration do not require a local agreement. Please contact Phyllis Jones to determine the steps for implementing these projects.
