The awardee is responsible for all funding that is above the approved award amount.

Please note there is an additional small amount of funds above and beyond the project award that is included in the WBS. This is not for use by the project or project manager. These funds are placed there to pay for estimated BSIP/SAP charges that will occur as the project is invoiced and paid out.

By agreeing to use the CMAQ funds, the project manager's business unit or entity (awardee) agrees that any charges that cause the WBS to become negative and require repayment, (whether BSIP/SAP charges or costs incurred by the project) WILL be covered and paid for by the unit/entity receiving these funds.

Please note that projects that are not implemented according to the approved schedule may be subject to cancellation.

If you have any questions about the CMAQ Program or the project that has been awarded funding, please contact Mark Eatman by telephone at 919-707-0970 or by email at mreatman@ncdot.gov.

Requesting Local Agreements for CMAQ Projects

The Local Programs Management Office (LPMO) has a web-based system for requesting agreements for locally-administered projects. As a Local Government Agency (LGA) with a project to administer with NCDOT, you will be responsible for requesting an agreement through the Enterprise Business Portal (EBS). In order to access the EBS, you will need a **user id** and **password**, issued by NCDOT.

Please visit the LPMO website at:

<https://connect.ncdot.gov/municipalities/Funding/Pages/default.aspx> and download the LPMO Security Form, complete, sign and e-mail to the contact address in the form. Once you have a user id and password assigned, you may log into the EBS at <https://www.ebs.nc.gov/irj/portal>, from there, submit a request for a NEW AGREEMENT APPLICATION and attach this memo as backup documentation.

If this memo provides additional funding for your existing project in the EBS portal, then you can request a supplemental agreement by submitting a CHANGE REQUEST. In the reason for the Change Request, select "Supplemental Agreement" and attach this funding memo as backup documentation.

If you have any questions about the EBS portal, please see help guidance here:<https://connect.ncdot.gov/municipalities/Funding/Pages/default.aspx>

Please note the following:

- CMAQ transit projects that are being flexed to Federal Transit Administration do not require a local agreement. Please contact Mark Eatman to determine the steps for implementing these projects.

**RESOLUTION TO MODIFY THE 2020-2029 TRANSPORTATION
IMPROVEMENT PROGRAM FOR THE DURHAM-CHAPEL HILL-CARRBORO
METROPOLITAN PLANNING AREA**

**AMENDMENT #14
April 12, 2023**

A motion was made by MPO Board Member Michael Parker and seconded by MPO Board Member Camille Berry for the adoption of the following resolution, and upon being put to a vote, was duly adopted.

WHEREAS, the Transportation Improvement Program (TIP) is a staged multiple year listing of all federally funded transportation projects scheduled for implementation within the Durham-Chapel Hill-Carrboro Metropolitan Planning Area which have been selected from a priority list of projects; and

WHEREAS, the document provides the mechanism for official endorsement of the program of projects by the MPO Board; and

WHEREAS, the inclusion of the TIP in the transportation planning process was first mandated by regulations issued jointly by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) and no project within the planning area will be approved for funding by these federal agencies unless it appears in the officially adopted TIP; and

WHEREAS, the procedures for developing the TIP have been modified in accordance with certain provisions of the MAP-21 Federal Transportation Act, Fixing America's Surface Transportation (FAST) Act, and guidance provided by the State; and

WHEREAS, projects listed in the TIP are also included in the State TIP (STIP) and balanced against anticipated revenues as identified in both the TIP and the STIP; and

WHEREAS, the North Carolina Department of Transportation and the MPO Board have determined it to be in the best interest of the Urban Area to amend the FY 2020-2029 Transportation Improvement Program as described in the attached sheets; and

WHEREAS, the United States Environmental Protection Agency Designated the DCHC MPO from nonattainment to attainment under the prior 1997 Ozone Standard on December 26, 2007; and

WHEREAS, the DCHC MPO certifies that this TIP amendment is consistent with the intent of the DCHC MPO 2050 Metropolitan Transportation Plan (MTP); and

WHEREAS, in accordance with 23 CFR 450.326 (d), the TIP shall include, to the maximum extent practicable, a description of the anticipated effect of the TIP toward achieving the performance targets identified in the metropolitan transportation plan, linking investment priorities to those performance targets; and

BE IT THEREFORE RESOLVED that the Durham-Chapel Hill-Carrboro Metropolitan Planning Organization Board hereby approves Amendment #14 to the FY 2020-2029 Transportation Improvement Program of the Durham-Chapel Hill-Carrboro Urban Area, as approved by the Board on April 12, 2023, and as described in the "FY 2020-2029 TIP Amendment #14 Summary Sheet" on this, the 12th day of April, 2023.

MEMORANDUM

TO: Colleen McGue, Planning Manager

FROM: Bergen Watterson, Transportation Planning Manager

DATE: September 29, 2023

SUBJECT: Additional funding for C-5179 Estes Drive Bicycle and Pedestrian Improvement Project Construction, Engineering, and Inspections (CEI) Services

Dear Ms. McGue,

The Town of Chapel Hill contracted with TranSystems (formerly known as SEPI Engineering) for Construction, Engineering, and Inspection (CEI) services for the C-5179 Estes Drive Bicycle and Pedestrian Improvement project in August 2021. The original contract and cost estimate was based on a 15-month construction and closeout period. While there have been periods of little to no work on the project, the contract with TranSystems is almost expended and the project is still underway.

TranSystems submitted a request for an additional 9 months of funding to continue CEI services for the duration of the project - **\$204,964.63**. The Town and the North Carolina Department of Transportation (NCDOT) have approved the request and the Town seeks additional **\$163,971** in DA funds from the Durham-Chapel Hill-Carrboro Metropolitan Planning Organization (DCHC MPO) to cover the cost.

The Town of Chapel Hill allocated \$300,000 of local funds to the project in 2022 to cover construction supplemental agreements and eventual contractor claims. **\$40,993** of this local funding will cover the required 20% local match for the CEI funding.
