A motion was made by MPO Board member PAM NEMMINGER and seconded by MPO Board member MICHAEL PARKER for the adoption of the following resolution; and upon being put to a vote, was duly adopted.

WHEREAS, the Durham-Chapel Hill-Carrboro Metropolitan Planning Organization (DCHC MPO) has been designated by the Governor of the State of North Carolina as the Metropolitan Planning Organization (MPO) responsible, together with the State, for the comprehensive, continuing, and cooperative transportation planning process for the MPO's metropolitan planning area; and

WHEREAS, the FAST Act continued the implementation of performance based planning and programming to achieve desired performance outcomes for the multimodal transportation system, including the setting of targets for future performance by States, providers of public transportation, and metropolitan planning organizations (MPOs); and

WHEREAS, under 49 CFR Part 673, the Federal Transit Administration (FTA) issued Public Transportation Agency Safety Plan (PTASP) Final Rule that requires the development of safety plans that include the processes and procedures to implement a safety management system; and

WHEREAS, PTASP originally required public transportation providers that receive federal funds to set their initial safety targets by December 31, 2020, and changed the date to July 21, 2021 under the Covid-19 public health emergency proclamation; and

WHEREAS, the Federal Highway Administration (FHWA) and the FTA issued a joint final rule on planning (Statewide and Nonmetropolitan Transportation Planning; Metropolitan Transportation Planning), under which MPOs shall establish performance targets within 180 days of a State or transit provider setting targets; and

WHEREAS, the transit agencies or jurisdictions operating public transportation in the MPO's planning area have developed information and targets toward compliance with the law and regulation and have communicated their current targets for transit safety to the MPO.

NOW THEREFORE, BE IT RESOLVED, that the MPO's Board supports the Chapel Hill Transit, GoDurham, GoTriangle, and Orange County Public Transit targets and agrees to plan and program projects that contribute toward the accomplishment of the transit agency's targets as noted in the attached table called "Transit Safety Targets for DCHC MPO."

NOW THEREFORE, BE IT FURTHER RESOLVED, that by approval of this resolution an amendment is hereby made to the 2045 Metropolitan Transportation Plan, adopted on March 14, 2018 by the DCHC MPO, to include the PTASP measures and targets.
