APPENDIX D

BICYCLE PROJECTS

APPENDIX D -- BICYCLE PROJECTS

BACKGROUND AND TOTAL COSTS

This appendix presents the bicycle projects for the 2030 LRTP. The table, which starts on the next page, numbers projects in alphabetical order and presents the projects by municipality and county: Durham County; Chapel Hill/Carrboro; Orange County/Hillsborough; Carrboro; and, Chatham County.

KEY INFORMATION

The table provides a facility (i.e., project) description, begin and end segment, facility type, county location, and total cost for each project. The project number is for reference purposes and does not indicate priority.

HOW ARE BICYCLE COSTS COMPUTED

Staff from the local governments provided the estimated project costs. These estimates are commonly based on standard units costs for the proposed design, e.g., addition of a four-foot shoulder or separate bicycle lane to the roadway, and the length of the project.

EXEMPT PROJECTS

All the bicycle and pedestrian projects are deemed exempt from the air quality conformity determination according to Title 40, Code of Federal Regulations (CFR), PART 93.126. The most important implication of this exemption is that the projects may proceed toward implementation in the absence of a conforming transportation plan or Transportation Improvement Program (TIP).

**Recommended DCHC 2030 Long-Range Transportation Plan
Bicycle Projects**

No.	Facility Description	Begin Segment (Limits from)	End Segment (Limits to)	Facility Type	County	Total Cost	Length	Municipality
DURHAM CITY/COUNTY								
1	Academy Rd. (NC 751)	Cameron Blvd.	University Dr.	Bike lanes	Durham	\$305,200	1.7	City/County
2	Alston Ave.(SR 1945)	Holloway St.	Wake County line	Bike lanes	Durham	\$1,667,700	9.3	City/County
3	American Tobacco Trail	Morehead Ave.	Chatham County	Bike Path	Durham	\$2,500,000	8.7	City/County
4	American Tobacco Trail	Riddle Rd.	Briggs Ave.	Bike Path	Durham	\$0	3.6	City/County
